📍 Marigudi Road, Sirsi, Uttara Kannada, Karnataka – 581401

Professional Summary

Motivated Information Science and Engineering undergraduate seeking an entry-level opportunity in Artificial Intelligence, Machine Learning, Data Science, or Data Analytics to apply technical knowledge, solve real-world problems, and contribute to organizational growth.

Education

Canara Engineering College, Mangalore **2023–2027**
B.E. Information Science and Engineering CGPA: 7.91/10

M.E.S. PU College, Sirsi **2022–2023**
Pre-University Course (PUC) 91%

Don Bosco High School, Sirsi **2020–2021**
SSLC 94%

Technical Skills

- Programming: Python, Java, C, R
- Databases: MySQL, MongoDB
- Analytics: Power BI, Tableau, Excel
- Machine Learning: NLP, Deep Learning, Computer Vision
- Tools: Git, GitHub, REST APIs
- Concepts: Data Structures, OOP, DBMS, Computer Networks

Projects

Fingerprint-Based Blood Group Detection System

- Developed a fingerprint-based blood group detection system in a four-member team.
- Worked on preprocessing, feature extraction, testing, and documentation.
- Applied image processing and machine learning techniques.

AI Business Analytics Platform

- Developed a full-stack AI-powered Business Analytics Platform using FastAPI and React.js for end-to-end business data analysis.
- Implemented secure JWT authentication, automated CSV processing, KPI dashboards, and interactive data visualizations.
- Integrated Google Gemini AI for business insights and natural language queries, and used the Prophet model for sales forecasting.
- Technologies used: Python, FastAPI, React.js, Pandas, Plotly, Google Gemini API, Prophet, SQLite, SQLAlchemy, JWT, REST APIs, Git.

Certifications

- NPTEL – Java Programming
- MongoDB Certification
- Foundation Workshop on Product Design & Innovation – DM ISSC
- Infosys Springboard: Artificial Intelligence, Deep Learning, C Programming

Achievements

- Participated in Sclerathon Hackathon and developed an AI call agent for intelligent customer query handling and automated call redirection.

Soft Skills

Problem Solving, Analytical Thinking, Teamwork, Adaptability, Communication, Continuous Learning
